

The background features a close-up photograph of several ranunculus flower buds. The buds are tightly packed, showing intricate spiral patterns. Some buds are light pink with dark pink veins, while others are white with dark pink or green veins. The stems are green and slightly out of focus. A large, white, stylized number '13' is centered over the image. A thin green line with two small leaves at its end crosses the number diagonally from the bottom left to the top right.
